MR. & MRS. BUND

Head on over to Mr & Mrs Bund's for dinner and you won't leave disappointed. The brainchild of creative powerhouse chef Paul Pairet, this "modern French eatery" took up residence at one of Shanghai's most prestigious addresses in 2009 and has been a welcome addition to the neighborhood ever since. Ring the bell on the big red door and prepare for an evening of understated chic, home-style French cooking with a twist and some stellar Bund views. Mr & Mrs Bund do things a bit differently from other folk and don't mind staying up late, serving a late night menu 'til 4am. Staff are kitted out in jeans and Converse All-Stars and with an Enomatic wine machine where guests can help themselves to up to 32 different wines by the glass, this is global, family-style dining with the coolest couple in town.
