1. Favourite hotel?

Amanpuri in Phuket – there's something about the site and the private beach that makes the experience magical.

2. Favourite restaurant?

Having kaiseki dinner at the Tawaraya Inn in

Kyoto. It's the entire atmosphere created by having dinner set in your own room, on the tatami, after taking a hot bath in the wooden bathtub.

3. Favourite grooming product?

Aesop – an effective and intelligent, botanical-based solution with a beautiful brand image.

4. Favourite clothing brand/designer?

Yohji Yamamoto and Comme des Garçons. In the past few years I have bought more clothes from these designers than any others. They both deal with fashion from a very structuralist perspective, which is interesting for an architect.

5. Good cause?

The Cambodian Children's Fund.

1. 最喜愛的酒店?

布吉的Amanpuri；位置佳，擁有私人沙灘，為住客帶來美妙的體驗。

2. 最喜愛的餐廳?

在京都的Tawaraya Inn品嚐懷石料理。首先在木製澡盆洗一個熱水澡，然後在自己的房間內，坐在榻榻米上用餐，氣氛極好。

3. 最喜愛的美容產品?

Aesop的品牌形象優美；產品的配方以植物成分為主，效用顯著。

4. 最喜愛的時裝品牌/設計師?

山本耀司及川久保玲的Comme des Garçons。過去數年，這兩位設計師的時裝我買得最多。他們設計的衣服很能體現結構感。我身為建築師，對此特別感興趣。

5. 最支持的善舉?

柬埔寨兒童基金。

1. Favourite hotel?

Aman at Summer Palace in Beijing – it's a very peaceful and zen place, especially walking through the Summer Palace which can be accessed directly from the hotel.

2. Favourite restaurant?

I'm still looking. I'm searching for the best beef noodle soup in the world and so far Taiwan is the most impressive place.

3. Favourite grooming product?

I have used Redken Rough Paste 12 for years to style my hair. It's the best product for Asian hair.

4. Favourite clothing brand/designer?

There isn't one designer I wear religiously. My style is very simple, yet detailed.

5. Balance in your life?

For me, balance is to be in a positive state, mentally and physically. That includes swimming, studying martial arts, muay thai, reading, learning, creating and remaining open to new things and giving back.

1. 最喜愛的酒店?

北京的頤和安縵；這是一

個祥和及充滿禪意的地方，特別是當你直接從酒店走進頤和園漫步之時。

2. 最喜愛的餐廳?

我仍然在尋找中。我一直想找到世上最美味的牛肉湯麵，至目前為止，台灣是品嚐牛肉麵最理想的地方。

3. 最喜愛的美容產品?

多年來，我都用Redken Rough Paste 12為頭髮造型；它是最適合亞洲人髮質的美髮產品。

4. 最喜愛的時裝品牌/設計師?

我沒有追捧特定設計師。我愛簡單但細緻的風格。

5. 如何平衡你的生活?

對我來說，平衡是指身心保持正面。這包括游泳、修研武術、練習泰拳、閱讀、學習、創作、對新事物保持開放的態度，並回饋社會。
