## BEST CHEESE PLATES

Mr and Mrs Bund's refined cheeses

## Cheese, Please

### French | Mr and Mrs Bund

Keeping with the tradition of family-style cuisine, the waiter brings a metal tray with six cheese rounds (most of them soft cheeses from Normandy) for you to choose from. Half the fun is watching him slice your portions of Comte, Chabichou (goat cheese), double-cream Fromage de Monsieur, Bleu Cheese, Pont L'evêque and Camembert. The cheese plate (¥130) even comes with half-salted Normandy butter, tangy apple jelly and all the piping-hot, fresh-baked grilled bread and baguettes you could want.

**Find It** 6/F, Bund 18, 18 Zhongshan Dong Yi Lu 中山东一路18号6楼, Tel: 6323-9898

### Fine Wine / Spirits | Enoteca

Enoteca's cheese plate (¥158) is bountiful enough for two. In addition to stacked wedges of creamy raw-milk French brie and Camembert, Gouda and Swiss Emmentaler presented on fragrant shiso leaves, you'll also get a spoonful of exquisite Roquefort cheese and thick shards of Parmesan. Curried pear chutney, walnuts, olives on rosemary skewers and unlimited bread come with. You can count on it to get the party going.

**Find It** 53-57 Anfu Lu 安福路53-57号, Tel: 5404-0050

### French | Des Lys

This underrated restaurant has a great value plate for cheeseheads on a budget. For only ¥88, you get a generous selection: wedges of a nice Roquefort, Camembert, Belgian goat cheese and Gouda. Expect no bread or honey here; this platter comes with onion crackers and a sliced apple salad. Simple, but delicious. If you're hungry, go for the "half cheese" plate (¥48) with two kinds of cheeses, butter and ginger jam.

**Find It** 178 Xinle Lu 新路178号, Tel: 5404-5077

## What are your favorites?

Joanne lives for cheese and plans to visit Normandy as soon as she makes her first million (it'll be a while). In the meantime, you'll find her at Mr and Mrs Bund enjoying their gourmet selection, sharing a cheese plate with friends at Enoteca or enjoying an affordable cheese plate at Des Lys.
