MR & MRS BUND

6/F, 18 ZHONGSHAN ROAD E1. TEL: 63239898

地址: 中山东一路 18号 6楼

SETTING: The historic former building of Standard Chartered houses the eponymous Mr & Mrs Bund across from the towering "Oriental Pearl". Romantic, graceful.

FOOD: The appetizer of a thin crispbread with tuna mousse and black olive oil certainly whets the appetite. The dish—Green pea veloute, prosciutto crudo di Parma—has a strong flavor yet is not too intense. The fresh pea fragrance impresses instantly. Char-grilled cold chicken breast and garlic mayonnaise is made as follows: steam the chicken breast to make it tart, then broil on charcoal to bring out the fragrance; finally, add aioli and vegetable salad (sesame leaves) to remove any oiliness. Pork and goose liver are frozen after fermenting. Dipped in mayonnaise, the dish tastes delicious in "French village style". Alternately, try homemade country paté and cornichon (gherkin) to freshen the palate. The dessert-candied lemon filled with lemon sorbet, curd, chantilly and sable is well liked for its sweet acidity. The method: peel lemon and remove the pith, then boil the peel in selected herbs with lemon jelly, sherbet, vanilla ice cream and grapefruit. The peel accompanied by cream is not just good to eat but also beneficial for your health.

WINE: There are more than 250 kinds of wine. Guests are encouraged to use the wine card provided at each table to taste wine through an ingenious automated tasting tap.

SERVICE: The service is proper and unassuming.

PRICE: RMB400 per person.
